Life devoid of fads is impossible to imagine, and the fads that do enter our lives become vehicles for amusement upon retrospection. How long any fad stays in vogue is anybody's guess, but Hoffmann and Bailey have again found those fads that somehow took root and flourished, if only for a short period of time, in America. Concise entries describe each fad from its beginning to its demise and its devout followers. Readers are sure to recognize many of the trends and fads collected in *Fashion & Merchandising Fads*. As fads enter and encompass society for a period of time, this collection of fads, arranged alphabetically, is sure to captivate readers from beginning to end, or, in a world of fads, from the A-2 Flight Jacket to the Zipper.
