No Greater Love Danielle Steel

It was the maiden voyage of the *Titanic*, the greatest ship ever built, and in one fatal, unforgettable night, the sea shattered the lives and future of an extraordinary family, the Winfields.

Edwina Winfield, returning from her engagement trip to England with her fiance and her family, instantly loses her parents, the man she loved and her dreams. Without even time to mourn, she courageously defies convention to run her family's California newspaper and care for her five younger siblings. Unable to forget her fiance Charles, she is determined never to marry, to hkeep her family together, and to fight to survive as a woman alone. But Phillip, her beloved oldest brother, sets out for Harvard and tragically betrays her trust. Madcap brother George turns to the excitement of Hollywood during its magical days, not to the Winfield publishing empire. And lovely Alexis, who narrowly escaped death when the *Titanic* went down, grows into a troubled runaway whom even Edwina's love may not be able to save. The two youngest, Fannie and Teddy, remain with Edwina at home.

Compelling and deeply moving, **No Greater Love** questions a woman's choices and the price she must pay for making them. And in an unforgettable climax, it offers an answer—as Edwina confronts the ghosts haunting her and take an extraordinary risk for her future and her heart.

From reader reviews:

Olive Wilson:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The information you get based on what kind of publication you read, if you want send more knowledge just go with training books but if you want experience happy read one using theme for entertaining for example comic or novel. The particular No Greater Love is kind of publication which is giving the reader unpredictable experience.

William Todaro:

Playing with family in a park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love No Greater Love, you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hangout type is it? Oh occur its mind hangout guys. What? Still don't obtain it, oh come on its called reading friends.

Rebecca West:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many concern for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but additionally novel and No Greater Love as well as others sources were given know-how for you. After you know how the fantastic a book, you feel desire to read more and more. Science book was created for teacher or students especially. Those ebooks are helping them to include their knowledge. In different case, beside science guide, any other book likes No Greater Love to make your spare time much more colorful. Many types of book like this one.

Ann Foley:

Reading a guide make you to get more knowledge from it. You can take knowledge and information from the book. Book is written or printed or created from each source that will filled update of news. In this modern era like now, many ways to get information are available for a person. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the No Greater Love when you necessary it?
