German Level 5 builds upon skills taught in Pimsleur's German Levels 1-4. You'll be speaking and understanding German with near fluency and with a broad range of conversational skills. In Level 5 the pace and conversation moves quite rapidly, accelerating exposure to new vocabulary and structures, approaching native speed and comprehension. You'll learn to speak more in-depth about your personal life and emotional state, and be able to create complex sentences using a mix of tenses and moods.

A few of the topics included in German Level 5:

- Travel and leisure: novels and detective stories, modern art, making vacation plans, destinations in

Germany and Europe, taking a cruise, traffic jams, car trouble

- Food and drink: restaurants, butcher, grocery shopping, organic food and wine, setting the table
- The environment: weather, climate change
- Communication: staying in touch, downloading, and texting
- Family life and relationships: family traditions, children and grandchildren, step-families, birthdays, retirement, pets, handicapped family members, death, divorce
- Politics: Presidential elections, voting, strikes
- Health and wellness: exercising, relaxing, needing a dentist

After Lesson 30, a short story broken down into 20 manageable segments (over one hour and 15 minutes) is provided for practice reading German.

### **The Pimsleur Method**

We make no secret of what makes this powerful method work so well. Paul Pimsleur spent his career researching and perfecting the precise elements anyone can use to learn a language quickly and easily. Here are a few of his “secrets”:

#### *The Principle of Anticipation*

In the nanosecond between a cue and your response, your brain has to work to come up with the right word. Having to do this boosts retention, and cements the word in your mind.

#### *Core Vocabulary*

Words, phrases, and sentences are selected for their usefulness in everyday conversation. We don't overwhelm you with too much, but steadily increase your ability with every lesson.

#### *Graduated Interval Recall*

Reminders of new words and structures come up at the exact interval for maximum retention and storage into your long-term memory.

#### *Organic Learning*

You work on multiple aspects of the language simultaneously. We integrate grammar, vocabulary, rhythm, melody, and intonation into every lesson, which allows you to experience the language as a living, expressive form of human culture.

#### *Learning in Context*

Research has shown that learning new words in context dramatically accelerates your ability to remember. Every scene in every Pimsleur lesson is set inside a conversation between two people. There are no drills, and no memorization necessary for success.

#### *Active Participation*

The Pimsleur Method + active learner participation = success. This method works with every language and every learner who follows it. You gain the power to recall and use what you know, and to add new words easily, exactly as you do in English.

### **The German Language**

German is the official language of Germany and Austria and is one of the official languages of Switzerland. It is also an official language in Belgium, Lichtenstein, and Luxembourg. Nearly 100 million people speak German as their first language: about 77 million in Germany, 8 million in Austria, and 4.5 million in Switzerland.
