You love riding horses at the stable, but you steer clear of competition. Whenever there's an audience, your confidence heads for the hills. Then one of the school's best riders gets injured and asks if you'll ride her quarterhorse, Silver Sky, in the next event. Do you find another way to help? Do you fake confidence and climb on? And what if you lose your cool in the middle of the jump course? Take the reins and see what happens. If you believe enough in yourself and in Sky, you can both hold your heads high.
