## **The Color of Light** Karen White

At thirty-two, pregnant and recently divorced, Jillian Parrish and her seven-year-old daughter find refuge and solace on Pawleys Island, South Carolina. Jillian had experienced her best childhood memories here-until her best friend Lauren Mills disappeared, never to be found. At the time, Linc Rising, Lauren's boyfriend and Jillian's confidant, had been a suspect in Lauren's disappearance. Now he's back on Pawleys Island-renovating the old Mills house. And as ghosts of the past are resurrected, and Jillian's daughter begins having eerie conversations with an imaginary friend named Lauren, Jillian and Linc will uncover the truth about Lauren's disappearance and about the feelings they have buried for sixteen years.

### From reader reviews:

#### Jeremiah Burroughs:

What do you regarding book? It is not important to you? Or just adding material when you want something to explain what yours problem? How about your spare time? Or are you busy particular person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? Every individual has many questions above. They should answer that question mainly because just their can do that. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this specific The Color of Light to read.

#### Alejandro Jones:

Your reading 6th sense will not betray you actually, why because this The Color of Light book written by well-known writer who knows well how to make book which can be understand by anyone who also read the book. Written in good manner for you, still dripping wet every ideas and producing skill only for eliminate your current hunger then you still uncertainty The Color of Light as good book not simply by the cover but also from the content. This is one e-book that can break don't evaluate book by its handle, so do you still needing one more sixth sense to pick this kind of!? Oh come on your studying sixth sense already alerted you so why you have to listening to a different sixth sense.

#### Ashley Williams:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your time to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your short time to read it because this all time you only find book that need more time to be read. The Color of Light can be your answer because it can be read by anyone who have those short extra time problems.

#### Kevin Adams:

As we know that book is important thing to add our information for everything. By a reserve we can know everything we wish. A book is a list of written, printed, illustrated or blank sheet. Every year had been exactly added. This book The Color of Light was filled concerning science. Spend your time to add your knowledge about your research competence. Some people has diverse feel when they reading any book. If you know how big benefit from a book, you can feel enjoy to read a guide. In the modern era like at this point, many ways to get book that you simply wanted.
