What Men Want?

This is the ultimate guide for women to know how their boyfriend or husband wants to be treated. Yes, that's right, as you read this book, you will be dancing around inside the mind of most men, learning what men want from a woman.

You will drive your man wild when you start using these ideas to your relationship.

- These are the real facts about how your man desires to be treated
- These are the truths about how you can keep your relationship alive and healthy
- This is the best relationship advice you can get about what your man wants

FYI: This book is written by a man with many years of wisdom in his pocket about what men want in a relationship.

When you are finished reading this book you will know how to:

- Love your boyfriend or husband to the fullest potential
- How to not argue with your man
- What his physical desires are . . . yes, in the sex arena
- How to be an almost perfect girlfriend
- And much, much more . . .

Do you wonder if he wants you to be more aggressive in the bedroom?

Do you wonder if he wants you to pursue him more in general?

Would you like to know if your boyfriend wants you to be more intimate in public?

Do all men have feelings of jealousy when another guy enters the picture?

When you finish with this easy to understand guide, you will know what men want in relationships with women.

What Men Want From Women In Intimate Relationships

2 Tips From The Book

-Your man wants you to pursue him. Men like women who will break out of the traditional frame of being shy and waiting for the guy to make the moves. If there's something you know he is interested in, make the first suggestion that you do that thing together sometime. Once you plant the seed in his head, you will have him

staring at your bountiful goodness. Eventually, he will figure out a way to make that date happen and you will have caught your man.

-Men are women pleasers. If you let your man know a few things that you would like to do, such as a particular concert you'd like to attend, or a place you would like to visit, he will make it happen. When you, as the girlfriend let your wants and needs be known, it helps take the pressure off of your boyfriend of always trying to figure out how to be creative. You've now already told him what you want.

As you can see, the author, Guy Love, in his book, "What Men Want: Secrets Revealed For Women Who Want To Please Their Man," gives straight forward advice on how to interact with your boyfriend or spouse in order to have the richest relationship possible. You won't be wasting your time reading through a bunch of senseless ramblings. No! The ideas in this book are presented in such a way that you can start learning from them instantly.

More Relationship Advice About What Men Want

-Your guy wants to feel like he is the only one who can make you happy. This, of course is not possible because no one can make us happy, it's an inside job. In any case, make it a point to let him know how happy you are when you spend time with him. Tell him that it doesn't matter what you do as long as you are doing it together.

-Avoid being judgmental of his personality and character. Do your best to accept him exactly the way he is. Let your man know what all of the things are that you like about his personality. Everyone, male or female wants to be accepted for who they are.

Get the book now so you can learn how not to be the bad girlfriend, but instead be the perfect girlfriend.

You'll be driving your man wild when you start applying these ideas . . .
