## **Wildflower Hill** Kimberley Freeman

Hailed by bestselling author Kate Morton as “a gorgeous story of family and secrets and the redemptive power of love,” *Wildflower Hill* is a compelling and romantic novel spanning three generations and half the world, from modern day London to Australia in the 1930s.

Emma is a prima ballerina in London and at a crossroads after an injured knee ruins her career. When she learns of her grandmother Beattie’s death, and her own strange inheritance—an isolated sheep station in rural Australia—Emma is certain she has been saddled with an irritating burden. But when she returns to Australia, forced to rest her body and confront her life, she realizes that she had been using fame as a substitute for love and fulfillment.

Beattie also found herself at a crossroads as a young woman, but she was pregnant and unwed. She eventually found success—but only after following an unconventional path that was often dangerous and heartbreaking. Beattie knew the lessons she learned in life would be important to Emma one day, and she wanted to make sure Emma’s heart remained open to love, no matter what life brought. She knew the magic of the Australian wilderness would show Emma the way.

*Wildflower Hill* is a compelling, atmospheric, and romantic novel about taking risks, starting again, and believing in yourself. It’s about finding out what you really want and discovering that the answer might be not at all what you’d expect.

### From reader reviews:

#### **Carlos White:**

Now a day people that Living in the era wherever everything reachable by interact with the internet and the resources inside it can be true or not call for people to be aware of each information they get. How a lot more to be smart in having any information nowadays? Of course the solution is reading a book. Looking at a book can help men and women out of this uncertainty Information specially this Wildflower Hill book as this book offers you rich details and knowledge. Of course the data in this book hundred % guarantees there is no doubt in it you probably know this.

#### **Lillie Granado:**

Spent a free time to be fun activity to perform! A lot of people spent their down time with their family, or their very own friends. Usually they performing activity like watching television, going to beach, or picnic from the park. They actually doing same every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? May be reading a book is usually option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the book untitled Wildflower Hill can be good book to read. May be it can be best activity to you.

#### **Gary Williams:**

Playing with family in a very park, coming to see the coastal world or hanging out with good friends is thing that usually you have done when you have spare time, after that why you don't try matter that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Wildflower Hill, you are able to enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its referred to as reading friends.

#### **Ronnie Johnson:**

Are you kind of hectic person, only have 10 or even 15 minute in your day to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short space of time to read it because all of this time you only find book that need more time to be study. Wildflower Hill can be your answer mainly because it can be read by you actually who have those short time problems.
