Welcome!

I'm the writer of the popular Minecraft furniture eBook on Kindle and after many requests I've been working on ideas for beautiful, detailed and decorative house designs. In this eBook I will show you **The Beach House**.

It's a modern home made mainly of sandstone and spruce wood, perfect on a beach next to the ocean! The house has a bedroom, a beautiful slab room, a relaxing porch and a decorative garden design.

This guide features:

- A step-by-step blueprint with helpful pictures and detailed descriptions
- A list of all the resources you'll need for this build
- A reference video that breaks down every single step of the blueprint
- Suggestions for how to decorate and furnish all areas of the house
