Navy Seal Alphas (6 Book Series) Rachel Real

From Book 1: Thirty-something single mom Gracie Gilbert has given up on love. She works a dead end job as a waitress in the city of New York. When a flood of sailors visit the city by the boatload for Fleet Week, one hunky werewolf catches her eye. Chase Stratton is a dark and dangerous **Navy SEAL** looking for a hot night with no strings attached, but after having a taste of Gracie--**he hungers for much more!**

Can Gracie let down her guard and let Chase in?

This is a quickie read and a **HEA Romance**.

It takes place in the larger world of the Navy Seal Alphas Series, but **is complete and can be read as a standalone**.

Steamy scenes ahead! This novella has hot passionate alpha sex scenes. If curvy gals gettin' their groove on with shifters aren't your cuppa tea, pass this one up. But if you like big girls and brawny heroes--enjoy!
