Occupational Therapy and Vocational Rehabilitation Joanne Ross

This book introduces the occupational therapist to the practice of vocational rehabilitation. As rehabilitation specialists, Occupational Therapists work in a range of diverse settings with clients who have a variety of physical, emotional and psychological conditions. Research has proven that there are many positive benefits from working to health and well-being. This book highlights the contribution, which can be made by occupational therapists in assisting disabled, ill or injured workers to access, remain in and return to work.
