Some People Can't Surf: The Graphic Design of Art Chantry Julie Lasky

Art Chantry's contrarian ways have placed him in the pantheon of great modern designers. *Some People Can't Surf: The Graphic Design of Art Chantry* is the first survey of this visual iconoclast, who also designed the book and packed it with hundreds of his vibrant images. Gritty, funny, and refreshingly low-tech, his award-winning work has promoted countless bands, social causes, and non-profits. Tracing Chantry's career from his covers and layouts for the seminal music magazine *The Rocket*, to album covers for such cult bands as Mudhoney, the Reverend Horton Heat, and the Fastbacks, *Some People Can't Surf* is a comprehensive look at his creative evolution. Complete with commentary on the unusual origins and unorthodox processes behind his work, as well as providing context for his oft-copied look, *Some People Can't Surf* is a much-anticipated exploration of this idiosyncratic design master.
