This is the first part of Lisa's story in the Iron Tornadoes MC series.

It ends with a HFN (Happy For Now) and continues with Cold Burn (B00K59PQSM)

Lisa Mayfield returns home from law school to a dead brother and a former lover she no longer recognizes.

Brian Hatcher, her brother's best friend, dropped out of the police academy.

Instead of working with Lisa's brother to bring down organized crime, he became a full-patched member of the Iron Tornadoes, an outlaw motorcycle club, the very one that may have caused her brother's fall.

Searching for answers to how her brother died, Lisa can't ignore the attraction she still feels for Brian.

The chemistry is undeniable but is there anything left of the boy she once loved or has he turned into a stone cold biker?
