Armstrong's Essential Human Resource Management Practice: A Guide to People Management

Michael Armstrong

This book, a complete overview of the practices and processes fundamental to HR, is written for those who are not HR professionals but need to have a thorough understanding of how to manage people. The text provides a thorough introduction to the core areas of HR including: people resourcing, performance management, learning and development and rewarding people. It also examines the contribution of HR to organizational aims and objectives and how it is integrated within the business.
