The Ancient Wisdom: An Outline of Theosophical Teachings (Classic Reprint) Annie Besant

This book is intended to place in the hands of the general reader an epitome of theosophical teachings, sufficiently plain to serve the elementary student, and sufficiently full to lay a sound foundation for further knowledge. It is hoped that it may serve as an introduction to the profounder works of H. P. Blavatsky, and be a convenient stepping-stone to their study. Those who have learned a little of the Ancient Wisdom know the illumination, the peace, the joy, the strength, its lessons have brought into their lives. That this book may win some to con its teachings, and to prove for themselves their value, is the prayer with which it is sent forth into the world. Annie Bksant. A ugust, 1897.
