When one of Madam Sibyl's clients dies in mysterious circumstances, Annie goes undercover as domestic servant to find out the truth about his death. Against his better judgment, Nate Dawson, the Voss family lawyer finds himself drawn into helping in her investigations, alternatively fascinated and frustrated by Annie's independent nature.

She will soon find there are as many secrets as there are spirits swirling around the séance table. Some of those secrets will threaten the foundation of her career as Madam Sibyl and the future of her relationship with Nate Dawson, and, in time, they will threaten her very life itself.

In Bloody Lessons (260 reviews, 4.4 stars), Annie Fuller has been called in by her beau, Nate Dawson to find out who has been sending poison pen letters about the teachers of San Francisco. The case becomes personal when they discover that Nate's sister, Laura, may be one of the teachers under attack.
