Twenty two year old Zooley Dempsey is back home from college. Unsure of what to do or the next step in life, she seeks guidance from her best friend, Lauryn, who is in town for the summer too. Lauryn's older brother Jakob is back home from the war in Iraq. Old feelings resurface, and Zooley and Jakob try to make sense of the love they never knew they had. But with old friends and old flames back in town, how will Zooley know where the next step will be? Will her feelings give her away, or does her best friend know something that she doesn't?

Over a series of seemingly random events, Zooley and Jakob's friendship blossoms, and maybe even something more.

My Best Friend's Brother is an epic novella that will thrust you right into the heart of the story and into the hearts of the characters. This is not a novella to put down and save for later. Laugh, learn, and shed a few tears when the world of these 3 best friends opens up to you.

Thank you and enjoy!
