Dispositions in Teacher Education (Advances in Teacher Education)

The topic of “dispositions” is central to teacher education and to teacher educators. Because of perhaps precipitous action on the part of accrediting agencies in teacher education, teacher educators need to define, teach, and assess dispositions in their programs. This book examines the sources of the concept dispositions, how it evolved in teacher education, what forms it has taken in selected programs, and what challenges remain in this arena for teacher educators.
