Surgical Treatment of Haemorrhoids

Surgical Treatment of Haemorrhoids

A high-level text covering both traditional treatments and recent advances in haemorrhoid surgery. The book contains an authoritative and in-depth discussion on all areas of the subject as well as a look at the latest techniques. In over twenty chapters the author covers the essential elements of diagnosis, surgical technique and after-care for the main operations. The full range of treatment options is covered - each procedure is described by an internationally recognised expert. This unique and comprehensive guide is invaluable to both trainee and practising colorectal and general surgeons. The author, Charles Mann, former President of the Section of Colo-Proctology of the Royal Society of Medicine, is a respected UK coloproctologist who has written extensively on all aspects of coloproctology.
