Outlining a theory that combines the refinement of traditional posing techniques with the more organic, spontaneous techniques of photojournalism, this creative and informative resource offers poses that rely on personality and interaction. These instructions from a veteran wedding photographer provide the skills needed to recognize what makes a great pose and how to subtly direct your clients to achieve the needed balance between looking great and looking comfortable. Ultimately, this grouping of modern and traditional shots offers answers to the complications faced when attempting to pose wedding parties quickly while keeping the natural look that all wedding couples desire.
