**Mr. Meeson's Will (H. Rider Haggard Collection)** H. Rider Haggard

Dodo Collections brings you another classic from H. Rider Haggard, 'Mr. Meeson's Will.'

Mr. Meeson's Will is the story of mean Mr. Meeson, the greedy and wealthy owner of a publishing house. Augusta Smithers is a young writer who enters into an unfair contract with Meeson. In order to make a fresh start she boards a steamer bound for New Zealand only to find her enemy is on the same ship. After a collision with a whaler Augusta, Meeson and several others are washed up on one of the lonely Kerguelen Islands, in the south Indian Ocean. Before his death Meeson tattoos his will on Augusta's back. This leads to a very interesting court battle in the second half of the book.

Sir Henry Rider Haggard was an English writer of adventure novels set in exotic locations, predominantly Africa, and the creator of the Lost World literary genre. His stories, situated at the lighter end of the scale of Victorian literature, continue to be popular and influential. He was also involved in agricultural reform and improvement in the British Empire.

His breakout novel was King Solomon's Mines (1885), which was to be the first in a series telling of the multitudinous adventures of its protagonist, Allan Quatermain.

Haggard was made a Knight Bachelor in 1912 and a Knight Commander of the Order of the British Empire in 1919. He stood unsuccessfully for Parliament as a Conservative candidate for the Eastern division of Norfolk in 1895. The locality of Rider, British Columbia, was named in his memory.
