The Golden Rule Ilene Cooper

This book is a gentle reminder of a timeless rule for parent and child: Do unto others as you would have them do unto you.

Everyone knows a version of the Golden Rule. But what does it really mean? And how do you follow it? In this gorgeously illustrated book, a grandfather explains to his grandson that the Golden Rule means you “treat people the way you would like to be treated. It’s golden because it’s so valuable, and a way of living your life that’s so simple, it shines.” And though it may be a simple rule, it isn’t easy to follow. Fortunately, following the Golden Rule is something everyone can do, which means that every person—old or young, rich or poor—can be a part of making the world a better place.

From reader reviews:

Evan Hinson:

Inside other case, little people like to read book The Golden Rule. You can choose the best book if you love reading a book. As long as we know about how is important a book The Golden Rule. You can add understanding and of course you can around the world with a book. Absolutely right, because from book you can realize everything! From your country until finally foreign or abroad you can be known. About simple thing until wonderful thing you can know that. In this era, you can open a book or maybe searching by internet device. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's go through.

Michael Kelly:

Book is to be different for every grade. Book for children until eventually adult are different content. As you may know that book is very important usually. The book The Golden Rule had been making you to know about other understanding and of course you can take more information. It is quite advantages for you. The reserve The Golden Rule is not only giving you much more new information but also to get your friend when you sense bored. You can spend your current spend time to read your publication. Try to make relationship with the book The Golden Rule. You never truly feel lose out for everything in case you read some books.

Wilma Richards:

As people who live in the particular modest era should be revise about what going on or info even knowledge to make them keep up with the era and that is always change and progress. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you but the problems coming to a person is you don't know what one you should start with. This The Golden Rule is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Hoa Gilkey:

People live in this new morning of lifestyle always try and must have the time or they will get lots of stress from both daily life and work. So , whenever we ask do people have spare time, we will say absolutely sure. People is human not really a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to you of course your answer will unlimited right. Then ever try this one, reading ebooks. It can be your alternative throughout spending your spare time, the book you have read is actually The Golden Rule.
