Students preparing for the Advanced Placement U.S. History exam will welcome this revised and updated set of flash cards. The cards encompass the entire AP course and offer students the flexibility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.
