Handle with Care: A Novel Jodi Picoult

When Willow is born with severe osteogenesis imperfecta, her parents are devastated—she will suffer hundreds of broken bones as she grows, a lifetime of pain. In this provocative story from the #1 *New York Times* bestselling author, “Picoult writes with unassuming brilliance” (Stephen King).

Every expectant parent will tell you that they don’t want a perfect baby, just a healthy one. Charlotte and Sean O’Keefe would have asked for a healthy baby, too, if they’d been given the choice. Instead, their lives are made up of sleepless nights, mounting bills, the pitying stares of “luckier” parents, and maybe worst of all, the what-ifs. What if their child had been born healthy? But it’s all worth it because Willow is, funny as it seems, perfect. She’s smart as a whip, on her way to being as pretty as her mother, kind, brave, and for a five-year-old an unexpectedly deep source of wisdom. Willow is Willow, in sickness and in health.

Everything changes, though, after a series of events forces Charlotte and her husband to confront the most serious what-ifs of all. What if Charlotte had known earlier of Willow’s illness? What if things could have been different? What if their beloved Willow had never been born? To do Willow justice, Charlotte must ask herself these questions and one more. What constitutes a valuable life?

Emotionally riveting and profoundly moving, *Handle with Care* is an unforgettable novel about the fragility of life and the lengths we will go to protect it.

Francine Nott:

Don't be worry for anyone who is afraid that this book can filled the space in your house, you could have it in e-book way, more simple and reachable. This specific Handle with Care: A Novel can give you a lot of pals because by you investigating this one book you have issue that they don't and make you actually more like an interesting person. That book can be one of one step for you to get success. This guide offer you information that possibly your friend doesn't know, by knowing more than other make you to be great persons. So , why hesitate? We should have Handle with Care: A Novel.

Roberta Lawrence:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Handle with Care: A Novel can make you feel more interested to read.
