The essential resource for the successful option trader

High Performance Options Trading offers a fresh perspective on trading options from a seasoned options trader programmer/engineer, Leonard Yates. Drawing on twenty-five years of experience as an options trader and software programmer, Yates has written this straightforward guide. First he provides readers with a solid foundation to trading options, including an introduction to basic options terminology, a thorough explanation on how options are traded, and specific trading strategies. Accompanied by the OptionVue Educational website, this hands-on guide to the options market is a thorough and essential resource for any trader looking to increase his or her practical knowledge of options.
