Remarks on the Statistics and Political Institutions of the United States, With Some Observations on the Ecclesiastical System of America, Her Sources ... &c. to Which Are Added Statistical Tables, &c

Sir William Gore Ouseley

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
