ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

A Short Guide to Writing about History is an ideal complement for any history course intended to teach students to think and write like historians. This engaging and practical text will teach students how to go beyond reporting the basic dates and facts of their history books and show them how to infuse their writing with their own ideas and unique perspective.

Covering brief essays and the documented resource paper, the text explores the writing and researching processes, different modes of historical writing (including argument), and offers guidelines for improving style as well as documenting sources.
