EVERYTHING you think you know about the history of the song, "We Shall Overcome" is probably WRONG. This is the shocking, untold story of the iconic freedom-song, We Shall Overcome and its true original author, Louise Shropshire. - A sharecropper's daughter and self-proclaimed "nobody", who through dedication to God, country and her fellow man, overcomes racism and poverty to find herself in the inner-circle of Rev. Dr. Martin Luther King Jr., Rev. Fred Shuttlesworth, Rev. Thomas A. Dorsey and the African American Civil Rights Movement. Along her way, Shropshire composes and copyrights a popular Gospel-hymn which after decades of being sung freely in churches and rallies around the country, is kidnapped, secularized and shackled by Pete Seeger and his powerful associates known to insiders as the "Folk Mafia". Without her authorization, her sacred song is then unlawfully copyrighted by Seeger and his powerful publisher, then peddled for untold millions all over the globe by Pete Seeger, Bob Dylan, Joan Baez, Bruce Springsteen and countless others. Featuring more than 100 extraordinary photographs, this well sourced and cited compendium not only describes the disturbing details surrounding the misappropriation of Louise Shropshire's sacred hymn, but also explores the historical attitudes of Black-exploitation, subjugation and racism in America by non culture-bearers. -Attitudes that enabled such an unthinkable act to occur in the first place, and remain unchallenged for more than half a century. Although the US Library of Congress has called We Shall Overcome; "The Most Powerful Song of the 20th Century"...a song that raked in untold millions in royalties for its hijackers, Louise Shropshire would die penniless and unrecognized for her historic contribution.
