**What Every Man Thinks About Apart from Sex** Sheridan Simove

**Apart from "sex," what does a man actually think about? Nothing, according to the blank pages of this book!**

For millennia, humans have marveled at the difference between men and women. It's widely known that the female gender is far superior to men in most areas—emotionally, cognitively, and socially. But, to date, the complex secrets of a man's mind have eluded science. In this groundbreaking book, Professor Sheridan Simove reveals the true depth of a man's mind.
