May Day (Penguin Poets) Phillis Levin

A sensuous and musical new collection from acclaimed poet Phillis Levin

May Day is a work of a visionary imagination. In tones playful and celebratory, in gestures both intimate and international, Levin's poems explore how tenderness and violence change our lives. From a flood overtaking the Prague zoo to the joy of a maypole dance, from a mural of the Trojan War in a Greek diner in New York to the "noiseless explosions" of time in the opening of a flower, these poems are rhapsodies of the senses and the intellect, disclosing new thresholds of meaning.
