Mark Twain

The Adventures of Huckleberry Finn Mark Twain

Samuel Langhorne Clemens, better known as Mark Twain, is perhaps America's favorite author. A quick-witted humorist who wrote travelogues, letters, speeches, and most famously the novels *The Adventures of Tom Sawyer* (1876), and its sequel, *Adventures of Huckleberry Finn* (1885), Twain was so successful that he became America's biggest celebrity by the end of the 19th century. Despite writing biting satires, he managed to befriend everyone from presidents to European royalty.

Even today, *The Adventures of Huckleberry Finn* is considered a "Great American Novel", and arguably the nation's finest novel. The story is about the adventurous travels of the young boy Huck Finn and a free black man named Jim who travel down the Mississippi and learn all about the harsh realities of the American South. The novel is still a must-read for all American schoolchildren, as it not only tells a story about the tension of the nation's race relations but also the experience of children living in that region of the country.
