Tomorrow Is Forever: A Novel Gwen Bristow

Set in World War II-era Hollywood, New York Times-bestselling author Gwen Bristow presents an emotional tour de force about a woman haunted by the ghost of her husband who died in World War I. For two decades, Elizabeth Herlong has been a devoted Hollywood wife, watching as her husband Spratt built an empire in the budding motion picture industry. But part of her still yearns for her first husband, who perished in France during World War I. As a second great war rages in Europe, something happens that will draw Elizabeth back to the old days, awakening feelings and longings that she thought she would never experience again. One night, Spratt introduces her to a German screenwriter, a crippled veteran of the last war attempting to make a new life for himself. Something in his face stirs Elizabeth's heart, setting her on a journey of discovery about the meaning of true love and the things that war cannot destroy. *Tomorrow Is Forever* was made into a film starring Claudette Colbert, Orson Welles, and Natalie Wood in 1946.
