Love can be a dangerous thing....

Hanna simply wants to be loved. With a head plagued by hallucinations, a medicine cabinet full of pills, and a closet stuffed with frilly, violet dresses, Hanna's tired of being the outcast, the weird girl, the freak. So she runs away to Portero, Texas in search of a new home.

But Portero is a stranger town than Hanna expects. As she tries to make a place for herself, she discovers dark secrets that would terrify any normal soul. Good thing for Hanna, she's far from normal. As this crazy girl meets an even crazier town, only two things are certain: Anything can happen and no one is safe.
