## Guides to the Evaluation of Permanent Impairment 6th Edition by AMA (April 2009)

AMA Guides to the Evaluation of Permanent Impairment clarifies the critical difference between medical impairment and disability, as diagnosis affects treatment and how a patient is viewed by a state's workers' compensation system. The Guides Sixth is the latest standard in medical impairment rating, emphasizing the fundamental skills physicians need to evaluate and communicate patient impairments. Determine a grade within an impairment class using functionally based histories, physical findings and broadly accepted objective clinical test results.
