Tinker Massey

Managing Change and People in Libraries (Chandos Information Professional Series) Tinker Massey
Managing Change and People in Libraries is designed to help library staff find options and compromises to personnel and management problems associated with the constant changes faced in libraries today. This text looks at theories of management, how people and processes change the stresses faced, how to analyze problems, find directions for change to be used and learn how to change negatives into positives in the workplace. The book is designed to help readers find direction and purpose in working practice.

- Theories explained through real life examples
- Alternatives developed out of facts
- Common principles of behaviour applied to management changes
