The 13th Edition of *Cervone's Personality: Theory and Research* significantly updates and expands on previous editions of this classic text. New to this edition, *Personality and the Brain* coverage throughout the text shows readers how cutting-edge advances in neuroscience inform all aspects of personality theory and research. Cervone and Pervin's, 13th edition provides uniquely up-to-date coverage of contemporary personality science while continuing to ground the student in the field's classic, and contemporary, theoretical statements. This text is an unbound, three hole punched version.
