The Heart Of A Gypsy (A Historical Romance set in Nazi Germany) Roberta Kagan

During the Nazi occupation, bands of freedom fighters roamed the forests of Eastern Europe. They hid, while waging their own private war against Hitler's tyrannical, and murderous reign. Among these Resistance Fighters, there were several groups of Romany people (gypsies).

The Heart of a Gypsy is a spellbinding love story. It is a tale of a man with remarkable courage and the woman who loved him more than life itself. This historical novel is filled with romance, and spiced with the beauty of the Gypsy culture.

Within these pages lies a tale of a people who would rather die, than surrender their freedom. Come, enter into a little known world, where only a few have traveled before... The world of the Romany.

If you enjoy romance, secret magical traditions, and riveting action...you will love "The Heart of A Gypsy." Please be forewarned that this book contains explicit scenes of a sexual nature.
