After Ever Happy (The After Series) Anna Todd

Book Four of the After series—now newly revised and expanded, Anna Todd’s After fanfiction racked up 1 billion reads online and captivated readers across the globe. Experience the Internet’s most talked-about book for yourself!

Tessa and Hardin have defied all the odds, but will their fairy tale ending be turned on its head? *After Ever Happy*... Life will never be the same. #HESSA

It’s never been all rainbows and sunshine for Tessa and Hardin, but each new challenge they’ve faced has only made their passionate bond stronger and stronger. But when a revelation about the past shakes Hardin’s impenetrable façade to the core—and then Tessa suffers a tragedy—will they stick together again, or be torn apart?

As the shocking truth about each of their families emerges, it’s clear the two lovers are not so different from each other. Tessa is no longer the sweet, simple, good girl she was when she met Hardin—any more than he is the cruel, moody boy she fell so hard for. Tessa understands all the troubling emotions brewing beneath Hardin’s exterior, and she knows she’s the only one who can calm him when he erupts. He needs her.

But the more layers of his past come to light, the darker he grows, and the harder he pushes Tessa—and everyone else in his life—away. Tessa’s not sure if she really can save him—not without sacrificing herself. She refuses to go down without a fight. But who is she fighting for—Hardin or herself?

From reader reviews:

Geraldine Louis:

The book After Ever Happy (The After Series) gives you the sense of being enjoy for your spare time. You may use to make your capable far more increase. Book can to be your best friend when you getting stress or having big problem with your subject. If you can make studying a book After Ever Happy (The After Series) for being your habit, you can get more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. It is possible to know everything if you like start and read a guide After Ever Happy (The After Series). Kinds of book are a lot of. It means that, science book or encyclopedia or other individuals. So , how do you think about this guide?

Renee Middleton:

What do you consider book? It is just for students since they're still students or that for all people in the world, what the best subject for that? Just simply you can be answered for that problem above. Every person has distinct personality and hobby for every other. Don't to be forced someone or something that they don't desire do that. You must know how great along with important the book After Ever Happy (The After Series). All type of book are you able to see on many sources. You can look for the internet options or other social media.

Ronald Smith:

Reading a reserve can be one of a lot of activity that everyone in the world enjoys. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a book will give you a lot of new info. When you read a book you will get new information due to the fact book is one of various ways to share the information or perhaps their idea. Second, studying a book will make you actually more imaginative. When you studying a book especially fictional works book the author will bring someone to imagine the story how the figures do it anything. Third, you may share your knowledge to others. When you read this After Ever Happy (The After Series), you may tells your family, friends and also soon about yours publication. Your knowledge can inspire the others, make them reading a e-book.

Pandora Rice:

Precisely why? Because this After Ever Happy (The After Series) is an unordinary book that the inside of the guide waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content on the inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of advantages than the other book possess such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the book store hurriedly.
