Mockingbird Kathryn Erskine

This is a heart-warming story of loss and recovery that won the American National Book Award 2010 - one of the most moving books you'll ever read. 11-year-old Caitlin has Asperger's syndrome, and has always had her older brother, Devon, to explain the confusing things around her. But when Devon is killed in a tragic school shooting, Caitlin has to try and make sense of the world without him. With her dad spending most of his time crying in the shower, and her life at school becoming increasingly difficult, it doesn't seem like things will ever get better again.
