## **The Sweet Life: Diabetes without Boundaries** Sam Talbot

Sam Talbot is a professional chef, restaurateur, surfer, painter, philanthropist, and, since the age of 12, type 1 diabetic. Yet he has not let the disease stop him from living a rich life packed with energy, adventure, and achievement?culinary and otherwise. In his first, much-anticipated book, he recounts how diabetes has affected but not compromised his life or career, and he shares his own tips?alongside those from other famous diabetics like Halle Berry, Larry King, and Tommy Lee?on how to handle everything from work and hobbies to relationships and travel with discipline and enthusiasm.

To round out this advice, he offers bits of foodie wisdom and 75 innovative recipes for fresh, all-natural dishes anybody, diabetic or not, can prepare and enjoy.

Heartfelt, entertaining, and backed by real-life experience and solid medical expertise, *The Sweet Life* will give readers hope, inspiration, and the proof they need to realize that life with diabetes isn't about diabetes: It's about living.

The writer makes some research ahead of write this book. This kind of book very easy to read you can get the point easily after scanning this book.

#### **Christine Emmons:**

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Sweet Life: Diabetes without Boundaries can make you really feel more interested to read.
