Milo, the Black Wolves' omega wolf, always stayed on the sidelines. He's a hacker – not a badass. Hell, he can't even get laid, much less play the part of a dangerous gang member. But, in order to stop an ongoing gang war, Milo is unceremoniously thrust into the middle of the Tiger's den as a nark (for the cops) and a spy (for the Black Wolves). Not to mention the dead sexy Tiger leader, Xian Fei, insists Milo stay by his side at all times. For protection purposes, of course. Milo's not even sure if he's gay, but Fei makes his stomach do backflips, and his cock – well, that's another story. Yeah, the omega is pretty sure he's fucked, and he likes it. A lot. Fei clawed his way to the top of the Tigers after years of serving the desires of others. He's close to ruling his gang in peace, if he can protect the hot little wolf in his care. Problem is – Fei's not sure he can keep his paws off Milo. While Fei plays the confident leader, he's hiding a dark past and a vicious secret. Milo's the only one who can break Fei's cool – the only one who can bring the tiger to his knees. Passion burns between Fei and Milo, but will the lies and twisted loyalties tear them apart before they find a happy ending? Contains graphic gay sex scenes.
