Mass media and technology are exploding. Popular entertainment relentlessly pushes the envelope. Biomedicine stretches ethical boundaries. Political issues shift with the polls. Christian orthodoxy is questioned on every front.

The world in which you live is undergoing a major cultural transformation—one leading to a widespread lack of faith, an increase in moral relativism, and a rejection of absolute truth.

In *Culture Shift*, Dr. R. Albert Mohler—one of today’s leading Christian thinkers and spokespersons—addresses these and other tough topics clearly, biblically, and passionately:

- The effect of the “digital deluge” on individuals and families
- The truth about terrorism
- Christian parents and public schools
- The rise of an aggressive “new atheism”
- The abortion debate
