Marge Piercy

Early Grrrl : The Early Poems of Marge Piercy Marge Piercy

The 'Grrrl' phenomenon is a contemporary expression of young women's humor and rage exploding in books and zines, concerts, films, and the internet. In homage to a new generation of tough young feminists, Marge Piercy presents a gathering of poems that reveal the poet as an early 'Grrrl.' Comprising over ninety poems selected from four books now out of print; poems previously published in literary magazines but never before collected and very early poems never published, this volume presents the bold and passionate political verse for which Piercy is well known alongside poems celebrating the sensual pleasures of gardening and cooking and sex; funny poems about New Year's Eve and warring boom boxes; vulnerable poems in which a young working class woman from the Midwest takes stock of herself and the limits of her world. For longtime fans and those new to Piercy's early work, this volume is an indispensable addition to the oeuvre of one of America's best-known and best-selling poets.

Marge Piercy is the author of fifteen novels and fifteen books of poetry, most recently *The Art of Blessing the Day* (Knopf, 1999) a selection of Piercy's Jewish-themed poems. *What Are Big Girls Made Of?* (Knopf, 1997) was nominated for the Pulitzer Prize and selected as one of their Most Notable Books of the Year by the American Library Association. In October, 1999, she will be a featured poet on the Bill Moyers' PBS-TV poetry specials "Fooling with Words" and "The Sounds of Poetry" and her newest novel, *Three Women* will be published by William Morrow.
