**Get children outside with these fun activities which form the perfect introduction to wildflowers**

This nature book is a first look at wildflowers and includes a general introduction to the parts of a flower, plus an array of fascinating facts, a guide to pollination, and a look at the wildflower year. At the heart of the book are the easy and hard "what can you spot" pages with a colorful picture gallery of wildflowers to find and tick off. When children aren't out and about looking for flowers, there are 30 stickers to use on the fold-out meadow play scene at the back of the book. This fun-filled guide is a great way to get children outside and give them something fun to do.
