On History

Jules Michelet

On History Jules Michelet

Edited by Lionel Gossman, this volume contains three programmatic essays by Michelet. The first two are available here for the first time in English translation. The third, the Preface to the 1869 edition of the *Histoire de France*, originally published in its first English translation by Edward K. Kaplan in his *Michelet's Poetic Vision* (1977), has been revised by the translator for this volume. One of the greatest Romantic historians and immensely popular during his lifetime, Jules Michelet (1798-1874) fell into disfavour among the positivist historians who came after him and who regarded his work with disdain as "literature." In the 1920s and 30s, however, he began to be rediscovered and rehabilitated by the members of the influential *Annales* school. The objects of Michelet's interest—living conditions, popular mentalities, laws and the arts, the historian's relation to the objects of his study, no less than political history—have since come to occupy a central place in modern historical research. A free online-only supplement contains an essay on Michelet by John Stuart Mill from the *Edinburgh Review* (January 1844) and several studies of Michelet by Lionel Gossman.

From reader reviews:

Robert Kuehner:

The guide with title On History possesses a lot of information that you can find out it. You can get a lot of profit after read this book. This particular book exist new expertise the information that exist in this book represented the condition of the world now. That is important to you to learn how the improvement of the world. That book will bring you throughout new era of the syndication. You can read the e-book with your smart phone, so you can read that anywhere you want.

Ruby Mejia:

Reading can called thoughts hangout, why? Because when you find yourself reading a book specifically book entitled On History your head will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely can become your mind friends. Imaging just about every word written in a guide then become one form conclusion and explanation this maybe you never get ahead of. The On History giving you a different experience more than blown away your mind but also giving you useful info for your better life in this particular era. So now let us present to you the relaxing pattern is your body and mind is going to be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary wasting spare time activity?

Janice Wilson:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this On History can make you experience more interested to read.

Mary Jacobs:

What is your hobby? Have you heard that will question when you got scholars? We believe that that query was given by teacher to the students. Many kinds of hobby, All people has different hobby. And also you know that little person including reading or as studying become their hobby. You need to understand that reading is very important and book as to be the issue. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You get good news or update concerning something by book. Different categories of books that can you choose to adopt be your object. One of them are these claims On History.
