The Message Lance Richardson

On Christmas Day, 1998, Lance Richardson was involved in an accident which later left him in a comatose state for several weeks. While his body was being kept alive by medical support equipment, his spirit passed into the world beyond. In "The Message," Lance describes his experience in the world of spirits and delivers to us a message giving a greater understanding of the importance of families and the future of America. He was also taught concerning a most important principle of their society of peace, which, if followed by the people of this great nation, would rescue us from self-destruction.
