Behind the evening news lies a world of political ideas and passionate conflict. *The Passion of Politics* unpacks the ideologies and theories which drive these political clashes, helping to explain why we admire some politicians and loathe others. The ideas driving today's politics all have roots in the political struggles of the past. They've been responses to great injustices and challenges, and they've underpinned enormous achievements. In Australia, they've helped create one of the most wealthy, free, and just societies in history. Today we are faced with important choices between flawed options.
