Virginia Woolf

A Room of One's Own; And, Three Guineas (Oxford World's Classics) Virginia Woolf

In *A Room of One's Own* and *Three Guineas*, Virginia Woolf considers with energy and wit the implications of the historical exclusion of women from education and from economic independence. In *A Room of One's Own* (1929), she examines the work of past women writers, and looks ahead to a time when women's creativity will not be hampered by poverty, or by oppression. In *Three Guineas* (1938), however, Woolf argues that women's historical exclusion offers them the chance to form a political and cultural identity which could challenge the drive towards fascism and war. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
