Allah is not God and Muhammad is the Messenger of Allah: The Qur'an Against the World Dr. Ross W Genger

Islam presents an astonishing situation as it rejects all except those totally committing their will and mind to Allah, Muhammad, and the Qur'an, along with several other authority figures and traditions. The Bible accepts any and all who will come as humble sinners and seek the One God through the sacrifice of the Messiah of the Jews. This book is in total agreement with the Qur'an when the Qur'an says that most Jews and most Christians are evil, corrupt, and liars—by the standards of right and wrong found in the Qur'an that is. The alternative is also true and again in agreement with the Qur'an. Muslims do not and may not adhere to the teachings of the Bible, which results in being lost by biblical teachings. The simple truth of the Qur'an is that Jews and Christians do not follow the Allah of the Qur'an, except a few who become Muslim. Also true is that the Muslims do not follow the God of the Bible, except a few who accept Jesus. God of the Bible is not Allah of the Qur'an, and Allah of the Qur'an is not God of the Bible, by name, by description, by personality, by judgment, or by love. The Qur'an has its greatest error when it says it is the completion and continuation of biblical revelation. This is fully accepted by Muslims because they have been taught that the Bible is corrupted, not the true one, and they do not

read the Bible.
