"Daughter, Your Faith Has Healed You" is the story of a young woman who, against the wishes of her friends and family, decided to marry the handsome man she met during her senior year in high school. Exactly one year after their marriage, this dream turned into a nightmare of physical and mental abuse which lasted for 9 years. Her world was full of beatings, seclusion and threats. Despite all of this, "Daughter" has a message...This is not the end; you can be free. This book is not just the story of an abused woman; it is a story of hope. It provides the experiences and thoughts of the author as well as resource information for those in similar situations. This book should be read by every survivor and victim of domestic violence, and used as a resource for anyone who is involved with or knows someone involved in family abuse.
