## **Homer's Odyssey: A Companion to the Translation of Richmond Lattimore** Peter V. Jones

A commentary with an introduction that describes the features of oral poetry and discusses the history of the text of the *Odyssey*.

Jones provides a line-by-line commentary that explains the many factual details, mythological allusions, and Homeric conventions that a student or general reader could not be expected to bring to an initial encounter with the *Odyssey*. His notes also enhance an appreciation of the *Odyssey* by illuminating epic style, Homer's methods of composition, his characterization, and the structure of the work.
